

# LION POST

Victorian period sand cast Lion Head Posts make a statement of unmatched style, quality and strength, one that cheap inferior imitations fail to deliver. When combined with traditional iron fencing the boundary of your home will be transformed. Made from cast aluminium it will compliment both terrace homes and grand Victorian mansions.

Height @ 1615mm  
Width of cap @ 400mm  
Width of Post @ 245mm  
Width of Base @ 345mm  
Weight – 41.00kg
