## PERIOD ARCHITECTURAL BUILDING PRODUCTS

### DIRECT TRADE PRICE LIST inc. GST - EDITION 7

Please Note: Dimensions stated throughout this price list are approximate.

Lacework is not cut to verandah sizes. It is supplied in complete lengths (refer to pricelist for sizes) and cutting is to be done by the purchaser. Melbourne Aluminium & Iron Lacework recommends all cutting to be completed prior to powder coating/painting.

**\*As Cast – raw metal finish.**

**\*U/Coated – undercoated using black etch primer.**

**\*P/Coated – powder coated. For superior durability we complete a four step process. All powder coated products are acid etch chemical cleaned, chromate conversion (to stop oxidising), E-Primed (powder undercoat) and then powder coated in a huge range of colours.**

**Please Note: Prices and specifications may be subject to change without notification.**

**All prices include GST.**

**Dimensions stated throughout this price list are approximate.  
Australia wide delivery service available, price on application.**
